

EXHIBIT A

CONFIDENTIAL - ATTORNEYS EYES ONLY

1 A Just the products we sell.

2 Q What about other fliers or other promotional
3 material, is there additional -- is there additional
4 fliers or promotional material that Slocum Enterprises
5 sends out?

6 A We put fliers in products that we send to our
7 customers.

8 Q So in addition to the product, you get a
9 flier?

10 A Sometimes, or a notice, for instance, if we
11 are refurbishing blades, they will go in the product
12 that we send them.

13 Q So if any of those products are purchased by
14 residents of New Jersey, they would get the product as
15 well as the flier?

16 A Correct.

17 Q Is that a fairly universal practice, putting
18 these fliers in and sending them to your customers, or
19 does it happen sporadically?

20 A It's sporadic.

21 Q Would you be able to tell me which -- which
22 New Jersey residents or how many New Jersey residents
23 received fliers?

24 A They would be the 12 customers that you have
25 in your list.
